[Unscheduled Server Maintenance \[RESOLVED\]](#)

Category : [Announcements](#)

Published by Alicia Stella on May-01-2018

5-02-2018 2:12PM SLT: The issues have been resolved. You may need to reset your device if it is not functioning properly.

5-01-2018 2:44PM SLT: All functionality has been restored, but we are still investigating and services may still run intermittently until it the issue has been fully resolved.

5-01-2018 2:30PM SLT: Some services have been restored and you may see limited functionality returning. We are working to return everything else at this time still.

5-01-2018 2PM SLT: The server that hosts the Tipping Server, Raffle, GiveAway, Delivery, and Camper functions is offline temporarily while emergency maintenance is being performed. There is not an ETA on when these services will be returned, but it should hopefully be very soon.

During this time your devices may not work intermittently. Stay tuned for updates.
